

Dear residents of Fredensgade Kollegiet

In 2020 we at Fredensgade Kollegiet got a new booking system for the washing machines - Condobutlr.

To be completely sure that there will be no misunderstandings regarding the registration or the use of Condobutlr we are now sending this email out to everyone, where the rules for usage of the washing machines will also be presented.

First and foremost: It is important that you are a member of our Facebook group: [Fredensgade Kollegiet](#). On Facebook, you will find most of the information from the Board and communication amongst the residents. It is here that we can communicate with each other.

Registration:

Contact the Board.

How to use:

When you click on the symbol, which looks like a washing machine and with the name: Laundry room, you will find the booking calendar. Here you can see two weeks at a time, and book the available times.

To book an appointment, press Book #1 or Book #2 at the desired time.

IMPORTANT: Column 1 (Book #1) represents building 14. Column 2 (Book #2) represents building 16 !!

It is important that you keep track of in which building you book a machine.

Washing rules:

You can also find these rules on Condubutlr - under the Rules tab.

It is allowed to wash from 07:00 in the morning until 23.00 in the evening.

It is not possible to book times in the off-peak hours for the sake of the residents who live just above the laundry cellars. Please respect that.

You can book a maximum of 8 times per. week and a maximum of 4 times per. day.

Each booking is valid for 1 hour.

You can cancel your appointment up to 15 minutes before the time starts.

We hope that everyone will abide by the rules, and respect the booked times of other residents.

Yours sincerely

The Board, Fredensgade Kollegiet
