

KOLLEGIEKONTORET | AARHUS

CLEANING OF THE COMMON AREAS

You can see when it is your turn to do the cleaning on a note on the noticeboard on the ground floor.

On this note you must also note down the date, when you have done your cleaning.

If you are prevented from taking your cleaning session, you are responsible for swapping your session with another resident.

If you haven't done your cleaning, we will order a cleaning company to do the job. The deadline for the cleaning is:

Sunday at 9 pm

after which an estate committee member will check if the cleaning is done sufficiently.

If the cleaning is not done, a cleaning company will be ordered, and the expenses will be attributed to your rent the following month

If you have any questions, please contact the caretaker or the estate committee.
